

LEAD INTERN POLICY

UT-PIC interns are encouraged to pursue a leadership role in their cohort by signing up for a Lead Intern role. The term of each Lead Intern is equally split between all interested interns (i.e. 3 months for each intern of the cohort of 4). The Lead Interns are responsible for organizing at least one socializing event with the intern cohort (in-person or virtual) during the time of their term. The Lead Intern is also encouraged to participate in diversity discussions among the interns and faculty, and to bring any diversity concerns to the attention of the Training Committee. The Lead Intern is also expected to participate in a segment of Faculty Meetings and to facilitate communication between the intern cohort and the training committee, especially regarding intern questions and concerns.

Faculty meetings are typically held on the 3rd Friday of each month at 1:30 pm. The Lead Intern will be expected to call in for ~15 minutes of the meeting.
